Where?

The Lake District has endless opportunities for adventure as well as lots of gift shops and cafes. There really is something for everyone! We'll be staying in the St John's in the Vale Centre which is in a stunning location a few miles outside Keswick. Most rooms are en-suite and furnished with bunks and a few single beds.

So What's the plan?

This residential is running alongside the Keswick Convention a massive Christian event with hundreds of young people getting involved with the youth stream.

Mornings: Bible Teaching at the convention.

Afternoons: Activities or chill out in Keswick.

Evenings: Into Keswick for the evening—Accessible Bible Teaching, Worship and Entertainment at the convention.

What Activities?

There may be Kayaking and Rock Climbing sessions as well as lots of other activities which may include: Rowing, Crazy Golf, Pitch & Put, Eating ice-cream, Shopping. If there's something you really want to do then let us know (within reason!).

How Much?

The whole week costs just £150 including travel from the Wirral! You'll need a bit of spending money but most activities will be included in the cost. **We are limited to 20 spaces only so please book early to avoid disappointment.**

Who can go?

Anyone involved with the Village Youth Project (going into year 7 and up to year 13)—either through the Bank, a club or St Mary's Church. **There's just 20 places so you'll need to be quick!**
